^^ Certificate 3 Guarantee and Higher Level Skills supports eligible individuals to complete their first post-school certificate III qualification and higher level qualifications. It also supports school students to access training and Queensland's Year 12 graduates to transition to employment by providing fee-free training in high priority qualifications. ** Fee Free – only available for year 12 graduates for 1-year post completion of a secondary school. A copy of a year 12 certificate is required. ## User Choice program aims to provide funding for training and assessment that supports the apprenticeship and traineeship system, as defined by the Further Education and Training Act 2014. User Choice funding is only available when all arrangements, particularly employment arrangements, are consistent with the Act. The table below covers the applicable costs which may apply to our courses. All RTO's are required by DET to charge an apprentice/trainee contribution fee towards the cost of their training. The tuition fee will be calculated at \$1.60 per nominal hour for each unit of competency being undertaken as outlined by DET. ^Certificate I qualifications - BSB10115 are available for Skilling Queenslanders for Work initiatives only (not for mainstream enrolments) with conditions set out on QTIS and on the department's Skilling Queenslanders for Work website.
